XEGO-it GmbH

KW BAUFINANZIERUNG GmbH, based in Dresden, Germany, offers its customers services in the area of real estate financing. As an independent partner, KW Baufinanzierung offers both private individuals and investors competent and independent financing solutions.

Customer Challenges

- lack of acceptance of the newly introduced SAP Business One
- lack of using functions
- limited or too complex dashboard functionalities
- too many clicks to get to the SQL query

Solution

- By using the B1 Usability Package, dashboards can be created and customized without effort.
- The adjustments can be made quickly by trained users without external help.

Results

- all functions and SQL queries necessary for daily work are available in the dashboard at a glance / click
- due to the extended possibilities, dashboards/widgets have been individually customized
- Display of the daily plan/actual comparison and updating of important operational and personal key figures

"ALTHOUGH WE HAVE NOT BEEN USING THE B1 USABILITY PACKAGE FOR LONG, WE HAVE ALREADY BEEN ABLE TO INCREASE THE SPEED OF OUR DAILY WORK AND THE OVERVIEW BY 30% AFTER A SHORT TIME – AND THIS EFFECT HAS NOT YET FULLY UNLEASHED!!"

Klaus Wortmann, Managing Director, KW BAUFINANZIERUNG GmbH
